I've been so honored to hold this office for the past 4 years. Good government starts with responsible spending of our tax dollars. I lead as the Chair of the \$48 million Public Works Committee; Chair, Public Transit Committee; and Vice Chair, Transportation Committee. I have supported responsible spending of tens of millions of federal dollars to mitigate the many unfortunate local effects of the COVID pandemic. I support full funding of our Judicial System and the Sheriff. I've also strongly advocated for the first new voting machines in 20 years, protecting secure elections in DuPage County. I really enjoy helping individual constituents, and I've been named to the board of Metropolitan Family Services. Please support me so I can continue to serve you!
