I have been living in DuPage County for most of my life. I live in Glen Ellyn with my wife Shari and daughter Sarah who is currently a student at Illinois State University majoring in Elementary Education. I am a retired public school educator and coach. I consider myself a team player and a life-long learner. I was a member of National Honor Society for Human Services, Alpha Delta Omega and International Honor Society in Education, Kappa Delta Pi. I was also an active member of both the Illinois Federation of Teachers and the National Education Association during my career. I am running for office because I deeply appreciate the benefits we have enjoyed here and I want to assist the county as a representative of my community.
