Delia Ramirez is a State Representative in Illinois, an advocate and former non-profit leader who has dedicated her entire career to fight tirelessly for our communities. Since elected in 2018, Delia has passed historic legislation expanding Medicaid coverage for seniors, securing over \$450 million to build affordable housing, increasing the state's minimum wage and securing the most comprehensive legislation to protect abortion rights. Delia is running for Congress to make sure we reduce the cost of healthcare and bring good-paying green jobs and clean energy to the district to move us into a sustainable future. Delia will fight to protect women's right to choose over their bodies and to end housing insecurity. Delia is not taking money from corporate PACs and special interest groups. Her campaign is people-funded and she will be an advocate for the people of the 3rd Congressional district and not corporations.
